MELOGRANO

PRESSING OF THE SHELLLED ARILS
100% POMEGRANATE JUICE

Pomegranate Varieties

Dente di Cavallo in bush-style training on the southern plateau to the south of Quercia.

Soil

Boulder clay mixture of glacial origins

Climate

Pre-alpine cool temperate climate with average rainfall of 1250 mm/year

Pressing

Product obtained directly from the fruit through the pressing of the shelled arils. No additives, no addition of water, sugar and flavourings.

Description

Ruby red in colour, grassy and fresh nose. The palate fully reflects the fruit of origin, succulent and tasty, with both sweet and acid notes; some tannic hints ensure its authenticity.

Packing

6 x 0.20 L bottle case
